 All Things are Possible with God
A Community of Kindness, Love & Support=Success
Our Children are Stewards of God's Gifts

Dear Parents,

Welcome to St. Symphorosa School and Two Holy Martyrs Parish!

Raising children in a safe environment and providing a good quality education is the most challenging and important responsibility of a parent today. At St. Symphorosa School, we have created a welcoming community of kindness and love, and we want to help and support you through this demanding process by drawing on the potential and value of Catholic education. Recently, our efforts to provide high-quality education were recognized within the local community, resulting in significant growth in student enrollment. This educational accomplishment was made possible by our dedicated principal and the loyal and caring teachers who want their students to be well educated.

At St. Symphorosa School, we provide a safe learning environment for students to grow into mature human persons and develop their inherent gifts, talents, and skills. We also offer our students guidance on the formation of the heart, teaching them to love and be loved. We want our school to be a home away from home, with an atmosphere rooted in family and Christian values. At St. Symphorosa School, we learn more than just math, science, history, and language. Our students learn about God, who is the source of all wisdom and knowledge. Jesus Christ as the Way, and the Truth, and the Life is the model for our faith. Thus, our Catholic school also has a greater mission: to help our students become well-informed and educated, as well as faithful disciples of Jesus. We want not only to educate and inform our students, but also to form them into good and faithful Christians who know Jesus Christ. The process of faith formation at our school is assured by common prayer, sacramental life, catechesis, and the celebration of the Eucharist.

St. Symphorosa School does not operate in isolation. Our school is a ministry of the larger Two Holy Martyrs parish family, and both St. Symphorosa Church and St. Rene Goupil Church support the school spiritually and financially. Ideally, the parish and school feed each other in ways that draw us closer to the Lord and to each other. We invite current and prospective families to view our school and parish not just as a choice, but more as a relationship, a friendship, and a family. Everyone is welcome to join us and participate in our faith journey together. We expect mutual commitment. No one walks alone.

Please reach out to us with any questions or concerns. The priests, principal, teachers, and staff welcome all inquiries about our parish and school. If you are already a parishioner, great. If not, please contact the parish office and ask to register as a parishioner. If you want to know more about the school, please contact the school office.

Sincerely yours in Christ,
