School days : Thursdays

Febrero/ February has been all about *amor/love* and *amistad/friendship* in Spanish class.

Pre-k and Kindergarten : Continuing our lesson on *los meses del año/ the months of the year* we began the month learning about the important days in February. We learned to sing one of our favorite Spanish songs: [Skidamarink Te Amo by youtube channel Pinkfong en Español.](#)

Kindergarten made a special valentine card for their *abuelita/grandma* at the beginning of the month. They had a lesson on *cupido/cupid* the angel of love and colored a picture. Throughout the entire month of February we talked about the importance of being a kind friend to others, and what a good friend looks like.

1st - 4th : First and second grade have also focused on friendship this month. We talked about how Jesus Christ is a friend to us and learned a new song, [Jesus es mi amigo by youtube channel Everth Calep Flores Sahuanga.](#) 1st graders created *tazas de amor/ jars of love*, a project where they drew in things they love the most. 3rd and 4th graders took their test on *ropa/clothing* and began a new topic on *adjetivos personales/ personal adjectives*. We will continue this lesson into March.

5th - 8th : Junior high took their test on the January vocab words. We continued the month with the topic of *amor propio/self love*. This lesson includes a list of personal adjectives which they used to describe their very own *cualidades/qualities*. They also wrote a *carta de amistad/friendship letter* to a classmate using the descriptive adjectives we are working on. Congratulations to Alexis Castaneda in 7th grade for winning the February Spanish contest.

Mrs. Augustine's 2nd grade class will be next in the Spanish class competition
