

St Symphorosa
Catholic School

**Building Their Future:
Celebrating Faith, Family, and
Academic Excellence**

Dear Michael,

We hope this letter finds you healthy and well. Thank you for all your support of St. Symphorosa School over the years. Each and every one of us understands how formative the first years of a child's education are. Getting off to the right start has a profound impact on a child's educational, social, and emotional development. Studies consistently show that children who attend preschool achieve greater success in the later years of their education.

As a valued alumni, you are committed to St. Symphorosa ensuring a strong educational, social, emotional, and spiritual development for every student. While the mission remains strong, many families in our community have been greatly impacted by the COVID19 pandemic. Because of this, many families are now struggling to afford the high quality preschool education that St. Symphorosa offers.

In response, St. Symphorosa is proud to announce the Preschool Scholarship Fund. This scholarship is designed to assist families committed to a Catholic education, but are experiencing financial hardship during these uncertain times. We believe every child in our community deserves access to a quality preschool program, to help create a strong foundation for future academic success.

Michael, just as you were blessed with a St. Symphorosa education, we hope you will find it in your heart this holiday season to help the struggling families in our community give their children the blessing of a quality preschool education at St. Symphorosa.

Your generosity will have a significant impact on the academic and spiritual well being of many children.

Michael, you can directly impact the life of a child through your generous donation—gifts of all sizes are appreciated. We are truly grateful for your support. If you prefer to donate online, please use: www.stsymsschool.org/donate-now

Many thanks!

Kathy Berry
